

Declaration for Cancellation of Fire Restriction

October 20, 2020

Under the authority of Bylaw #2017-003, part 13, Vulcan County hereby issues cancellation of a Fire Restriction that was enacted on September 3, 2020. Vulcan County has moved to No Restriction status. Fire permits are required for any type of burning in Vulcan County, except campfires. Safe campfires are allowed in campgrounds and backcountry or random camping areas. While fire permits are being issued at this time, you must watch the County website and Alberta Fire Bans.ca as the Fire Status could change and permits may be cancelled with little to no notice.
